HOOFLAND'S GERMAN BITTERS,

AND

Hoofland's German Tonic.

THE GREAT REMEDIES
FOR ALL DISEASES OF
THE LIVER, STOMACH, OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or, as they are medically termed, *Extracts*) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely *free from alcoholic admixtures of any kind.*

HOOFLAND'S GERMAN TONIC

Is a combination of all the ingredients of the Bitters, with the purest quality of *Santa Cruz Rum*, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture, will use

Hoofland's German Bitters.

Those who have no objection to the combination of the Bitters, as stated, will use

Hoofland's German Tonic.

They are both equally good, and contain the same medical virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

CONSTIPATION, FLATULENCE, INWARD PILES, FULNESS OF BLOOD TO THE HEAD, ACIDITY OF THE STOMACH, NAUSEA, HEART-BURN, DISGUST FOR FOOD, FULNESS OR WEIGHT IN THE STOMACH, SOUR ERUCTATIONS, SINKING OR FLUTTERING AT THE PIT OF THE STOMACH, SWIMMING OF THE HEAD, HURRIED OR DIFFICULT BREATHING, FLUTTERING AT THE HEART, CHOKING OR SUFFOCATING SENSATIONS WHEN IN A LYING POSTURE, DIMNESS OF VISION, DOTS OR WEBS BEFORE THE SIGHT, FEVER AND PAIN IN THE HEAD, DEFICIENCY OF PERSPIRATION, YELLOWNESS OF THE SKIN AND EYES, PAIN IN THE SIDE, BACK, CHEST, LIMBS, ETC., SUDDEN FLUSHES OF HEAT, BURNING IN THE FLESH, CONSTANT IMAGININGS OF EVIL, AND GREAT DEPRESSION OF SPIRITS.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries possesses true merit, is skillfully compounded, is free from injurious ingredients, and has established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—

HOOFLAND'S GERMAN BITTERS
AND
HOOFLAND'S GERMAN TONIC.

PREPARED BY *DR. C. M. JACKSON,*
PHILADELPHIA, PA.

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhœa, Disease of the Kidneys, and all Diseases arising from a disordered Liver, Stomach, or Intestines.

DEBILITY,

Resulting from any Cause whatever; PROSTRATION OF THE SYSTEM, induced by Severe Labor, Hardships, Exposures, Fevers, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is digested, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of HOOFLAND'S GERMAN TONIC, an elixir that will instil new life into the veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.

It is a well-established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health; or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK & DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietors, but space will allow of the publication of but few. Those, it will be observed, are men of note and of such standing that they must be believed.

TESTIMONIALS.

Hon. Geo. W. Woodward,

Chief Justice of the Supreme Court of Pa., writes:

Philadelphia, March 16, 1867.

"I find 'Hoofland's German Bitters' is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. Yours truly,

GEO. W. WOODWARD."

Hon. James Thompson,

Judge of the Supreme Court of Pennsylvania.

Philadelphia, April 26, 1868.

"I consider 'Hoofland's German Bitters' a *valuable medicine* in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours truly,

JAMES THOMPSON."

From Rev. Joseph H. Kennard, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail; but usually, I doubt not it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H. KENNARD,
Eighth, below Custer St.

From Rev. E. D. Fendall,

Assistant Editor Christian Chronicle, Philada.

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver. Yours truly,

E. D. FENDALL.

CAUTION.

"WASHING MACHINES.—Wm. D. Osborn, Port Byron, Cayuga county, N. Y., asks: 'Will the Club give us its opinion of Washing Machines? Is it economy to pay fourteen dollars for one of Doty's machines? Will it wash farmers clothes clean, and not be too hard work for the women?' Washing machines have so generally proved failures that I am afraid of throwing away my money upon one.'

AIR—"*Vive L'Amour.*"

Come all you true patriots, rally around
Our banner which floats on the air,
The time-honored banner of Freedom and Right,
The standard of Seymour and Blair,
The clouds of disunion
No star shall obscure,
We'll carry it forward
To victory sure.
With Seymour and Blair,
With Seymour and Blair,
Hurrah for Seymour and Blair!

The old Constitution our fathers designed,
Which Pinckney and Hamilton penned,
Which Franklin and Morris and Washington signed,
And handed us down to defend—
Can Gibson and Bingham
And Butler improve,
Or shall we stand by
The charter we love?
With Seymour and Blair,
With Seymour and Blair,
Hurrah for Seymour and Blair!

We'll rally again by the Flag and the Law,
And pledge to uphold them once more;
Our battle-scarred country—the land of our birth—
To peace and to freedom restore.
The old Union Flag
We are bound to defend,
Every star on its field
We'll stand by to the end!
With Seymour and Blair,
With Seymour and Blair,
Hurrah for Seymour and Blair!

THE CARPET BAGGERS.

AIR—"*Joe Bowers,*"

I am a carpet-bagger,
I'm a brother scalawag,
Come South to boast and swagger,
With an empty carpet-bag;
To rob the whites of greenbacks,
And with the blacks to "bunk,"
And change my empty satchel
For a full sole-leather trunk.

I'm "some" on "Constitutions"
For a "late rebellious State,"
And I'm "some" on persecutions
Of disloyal men I hate;
I'm "some" at nigger meetings
When white folks ain't about,
And "some" among the nigger gals,
When their mams don't know they're out.

I'm "some" on a Convention,
Where I draw an "X" per day,
And opposed to all adjournments,
If I only draw my pay.
I drew it down at Jackson,
Where four months I kept my seat,
And laid a heavy tax on
All you wear, and drink and eat.

But now my day is over,
The Constitution's killed;
Again I am a rover,
And my pockets are not filled;
All my money has been spent on
An electioneering "bum"—

SEYMOUR AND BLAIR.

Another Distinguished Convert—Gen. A. Saunders Platt, of Ohio, Deserts the Radicals—He Joins the Democracy and Gives his Reasons.

That gallant patriot of Ohio, General A. Saunders Platt, has come out for Seymour and Blair. On Thursday evening, 13th ult., his Democratic neighbors of West Liberty, headed by a brass band, tendered him a serenade, and in response he made an able, patriotic and eloquent speech, from which we make the following extracts:

I need not tell you how deeply I appreciate this complimentary demonstration. I feel it the more from the fact that it gives me an opportunity to say a few things I wish to say publicly. No one knows better than I the strength of party association. Next to patriotism to one's country comes loyalty to one's party, and the ties binding this last cannot be severed without attaching a certain amount of blame to the individual who secedes. One is anxious, therefore, to give his reasons for such severance, and to justify himself, if possible, for the course he has taken.

In a few words, then, let me say that I am disloyal to the Republican organization *because I seek to be patriotic to my Government.* [Applause.] Understand me, I attach no blame whatever to my late political associates. I believe the great mass to be honest, earnest and patriotic, and that patriotism they have asserted by their blood upon all the battlefields, and their lives in all the hospitals, of the late war. But it does not follow, on that account, that as a party, heated by partisan zeal, they are not as dangerous to the Republic as the men themselves they went out to fight.

I left my motherless children and my individual friends, and went to the field when South Carolina and her erring sisters had thrown down the glove and stood armed to the teeth to battle for the wrong. [Long and loud applause.] I did then what I should do again—and in my last hour, yea, in my dying moments, I believe, I feel that I shall find

BY ORDER OF THE COMMITTEE.

Sept 4, 1868.

INCREASE OF THE PUBLIC DEBT.

As a complete refutation of the standing assertion of the Radical press that the public debt has been *diminished* since the close of the war, it is only necessary to give the official figures of Mr. Secretary of the Treasury M'Culloch. According to these the debt was.

March 31, 1865, - $2,336,965,077.34
July 31, 1868, - - 2,523,534,480.67

Showing an *increase* of the public debt in three years and four months of ONE HUNDRED AND FIFTY-SIX MILLIONS FIVE HUNDRED AND SIXTY-NINE THOUSAND FOUR HUNDRED AND THREE DOLLARS AND THIRTY-THREE CENTS!

Unless the figures of the Secretary lie, the Radical press must. At present we are decidedly of opinion that it is not the figures.

JOHN CESSNA.

The Republican Conferees of this district met at McIlvaine's, on Wednesday, and nominated the bellowing hypocrite, John Cessna, for Congress. How any one can cheerfully vote for so cold-blooded a demagogue is beyond our comprehension.

He enjoyed office time and again at the hands of the Democratic party, but conceiving the chance for Congress in this district better on the Republican than on the Democratic side, he turned his coat for that object, and now, by characteristic trickery, has succeeded in securing the nomination. Will honest voters elect such an unprincipled creature over an upright, able and patriotic man like Judge Kimmell? We don't believe it.

THE Pittsburg *Post* says that Democratic clubs have been established in every township in Allegheny county. This looks like work, and is worthy of imitation, by Democrats everywhere. Clubs are very effective when properly handled.

THE Radicals charge the people, annually, on an average, ONE HUNDRED AND TWENTY-FIVE THOUSAND DOLLARS more for Legislative expenses than the Democrats did, and they dare not deny it.

WE have just received the proceedings of the Democratic Congressional Conference, and will publish them next week.

[illegible] ADAMS has been renominated for Governor by the Democrats of Massachusetts.

JUDGE KIMMELL—CESSNA.

Hon. Daniels M. Kimmell, the Democratic nominee for Congress in this district, is a gentleman of large and solid attainments, and an effective public speaker. In Congress he would rank among its ablest members. The Democratic and Conservative voters of Somerset, Bedford, Fulton, Franklin and Adams should rally to the man to his support, and thus secure his election by a rousing majority.

As between him and the miserable demagogue Cessna, no voter should hesitate. With Kimmell's success, an able and earnest advocate of the rights of the States and the people would be secured. Cessna's election would send to Washington one who would delight in further agitation and turmoil, that the Union might be longer kept asunder and Radical thieving continued.

Hollow-hearted creatures of the Cessna stripe—Butler, Logan & Co.—have ruled in Congress long enough. The interests of the people demand a CHANGE—demand honesty and patriotism, instead of corruption and tyranny.

Elect Kimmell, and the cause of right and good government will be strengthened.

As to Cessna—"let no such man be trusted!"

FOR STATE SENATOR.

Says the Chambersburg *Spirit* of Wednesday: Three years ago the claims of C. M. Duncan, as against those of D. McConaughy, were thoroughly canvassed and the people elected him to the position by a clear and fair majority. But in the State Senate the most glaring outrage was perpetrated of turning Mr. Duncan out, and giving his seat to his defeated competitor. Honest men in the Republican party of this district everywhere hung their heads in shame, whilst the indignation of the Democracy knew no bounds. So notorious did the fraud become, that the man who had the effrontery to strive for, and take, the seat to which the people had assigned Mr. Duncan, became the object of general ridicule and contempt. One of the members of the Committee that reported in his favor has since expressed the hope that God would forgive him for having perjured himself to put that d——d scoundrel in the Senate Chamber. So overwhelming was the popular feeling in this district that Mr. McConaughy did not dare to announce himself as a candidate for re election. He was afraid to attempt to breast the current of popular indignation.

Mr. Duncan's election is certain. He will be returned to the Senate by a majority that will admit of no trifling with the expressed will of the people.

And when elected, this district will have secured a Senator who will devote himself to the faithful discharge of the duties of the position, one who will endeavor to advance the best interests of his constituents, and one who will ever be found laboring to uphold the Constitution and to restore and preserve the Union.

Adams county presented a most estimable gentleman for the position in the person of Mr. Joseph P. McDivit. Under other circumstances, the people of Franklin county would have taken pleasure in joining with Adams in conferring the honor of this nomination upon him. But we felt it a solemn duty to rebuke the men who, three years ago, thwarted the wishes of our people, and for this reason Mr. Duncan's claims were pressed with such earnestness by our Conferees. Mr. McDivit and the Adams county Conferees will please accept the thanks of the Democracy of Franklin county for their generous action in so gracefully surrendering their own claims, and so magnanimously making our choice their own.

WHAT A NEUTRAL SAYS.

The *Round Table*, a very ably conducted literary journal printed in New York, neutral in politics professedly, but in reality having strong Republican tendencies, at the time of Gov. Seymour's nomination for the Presidency, predicted the defeat of the Democratic party. It has since had occasion to change that view, and now says:

"We have become persuaded that there is a powerful undercurrent of popular dissatisfaction with Radical rule and Radical measures, which is gaining rather than losing strength with the passage of time, and that, consequently, the chances, which at present we estimate as nearly even, may incline in November, in a victorious degree, to the Democratic side. * * * From present indications we are led to believe that the three great States of New York, Pennsylvania and Ohio will throw themselves into the scale for Seymour and Blair, and should they do so, not all the hosts of New England, backed as they may be by the West and South, by voters black or white, constitutional or unconstitutional, will avail to prevent the Republican forces from kicking the beam."

MORE RADICAL ECONOMY.

The Chicago Convention resolved that "the government of the United States should be administered with the strictest economy." This was a pledge to the country that the Radical party would so administer it. One single item of expenditure by the Radical House of Representatives will show how faithfully they redeem their promises. The Sergeant-at-Arms of the House is an officer of the House who receives a salary of $2,592, and ten cents per mile for traveling in the service of committees, summoning witnesses, &c. According to the Clerk's report, January 1, 1868, the Sergeant-at-arms received for services of this kind, during the preceding year, over $20,000, having charged mileage for *two hundred and eight thousand four hundred and three miles*, three times the distance around the globe and 16,103 miles over!

How many travellers have done as much as this? What man, dead or living, can compete with this Radical Sergeant-at-arms? And what must the people think of the way in which the Grant and Colfax party redeem their pledge of strict economy?

JOINT DISCUSSION.—Judge Kimmell and John Cessna have been invited to a joint discussion at Waynesboro'.—The Judge is ready, and will demolish Cessna if he appears.

WILKES, the gambler who edits the *Spirit of the Times*, has backed water on the bet of $10,000 to $50,000 offered by him that Seymour and Blair would not be elected. The Radicals are evidently losing confidence.

THE Pittsburg *Post* says that a thorough Democratic committee of investigation will be required to examine the state of affairs in the office of the Auditor General.

THE RADICALS SCARED.

That the tone of confidence assumed by the Radical press generally is all sham, mere "whistling to keep their courage up," is shown by the candid avowal of Greeley, the very "head and front" of Radical journalism. He says, in allusion to this seeming confidence, "the conviction that Gen. Grant cannot possibly be beaten, is at once untrue and pernicious. He not only *can*, but *will* be beaten unless the Republicans work with more energy and efficiency than they have thus far done." "*Men and brethren! the continues,*) we must carry Connecticut, New York, New Jersey and Pennsylvania for Grant and Colfax," &c. "Without at least *two* of them *will be doubt.*" If the Rads can't take any comfort out of this cold water bath, administered by the Philosopher of the white hat, we shall not envy them their momentary enjoyment of it. Which "two" of the States named as necessary to success have the Radicals the slightest "prospect of carrying?" Is the Philosopher himself, or any other intelligent man of the party, so politically demented as even to entertain a hope of carrying New York? That State is as certain to go for Seymour and Blair as that the earth revolves on its axis or the sun gives light to the world. Connecticut and New Jersey are, we think, equally certain; and from the most reliable information which we can glean, we consider Pennsylvania a little doubtful as either of them. We carried it last year under far greater disadvantages than we shall have to encounter in the present contest; and all we are striving for is to swell the majority to as many thousands as possible. Defeat we do not dream of—no Democrat is troubled with the least apprehension of such a misfortune; the only point upon which we differ at all is as to the measure of the victory which we are certain to achieve, some claiming as high as 20,000 majority, while others of more moderate views, range in their estimates from five to ten thousand. Under these circumstances, taking Greeley's views to be correct, there is no possibility of the election of Grant; in fact we believe the Philosopher has already come to that conclusion, but lacks the moral courage to avow it.—*Patriot.*

"WHITE BOYS IN BLUE" IN OHIO.

A correspondent of the New York *World*, writing from Cleveland, under date of August 21st, reports the prospect as very bright in Ohio. He says:

The grand organization ever effected in any State in this country, is the "White Boys in Blue," now being marshalled for the contest in Ohio. These organizations are formed into companies, fully uniformed and equipped, with the exception of carrying muskets; torch-lights being used instead. Officers are elected by companies, and also in large places where full regiments are organized, regimental officers are chosen. No one not a voter is permitted to join, neither any man who has not an honorable discharge from the army. The power and strength of this grand army of the "bone and sinew" of our recent armies, can readily be imagined. They present an undivided front, and it is estimated that at least forty thousand (40,000) have already enrolled themselves for service in the cause of Seymour, Blair and the Constitution in Ohio.

In Cleveland nearly one thousand names are already upon the rolls, and, with confidence, it is believed within two weeks the number will reach fifteen hundred.

This splendid army of "White Boys in Blue" has greatly dispirited the Radicals, who have signally failed in their organizations of "tanners," and the like. Three attempts have been made by the Radicals, within the last month, to hold mass meetings in Cleveland, which have been total failures, both in numerical point of view and in reference to the enthusiasm of those present. The Radical leaders are disheartened and discouraged, and are using the most bitter threats and curses against their State Central Committee. The skys look bright for the Democratic cause, and if a vote were taken in the State to-morrow Governor Seymour's majority would not be less than 50,000.

The defeat of Ashley, Bingham, Cooper, Wilson, Stevenson, and Schenck is already conceded by the Radical presses, while the Democracy are confident of their ability to carry twelve, and perhaps thirteen out of the nineteen Congressional districts.

Your readers may rest assured that Ohio is alive to the work before it, and will give no uncertain sound when the battle closes in October, which will be but the bugle call for the grand conflict to come, which will bring victory to the Democratic banner, under the lead of our chieftains, Horatio Seymour and Francis P. Blair, Jr.

RESERVE.

AN attempt was recently made in Philadelphia to "colonize" fifty Radical boarders at a house in the Twenty-Seventh Ward, known as "Belmont Cottage," the landlord of which had always been a Radical. When application was made, although the board bill was guaranteed to the landlord by the "Committee," he flatly refused, and told the "Committee" that he no longer ran with the Radical machine, nor would he assist them in their frauds. The sneaks vanished.

PROF. WICKERSHAM, who draws a large salary as State Superintendent, proposes to erect a monument to the memory of Thaddeus Stevens with money begged from the school children of the State. This demagogue is so ignorant of the history of Pennsylvania as to profess to believe that Thaddeus Stevens was the founder of our Common School System; when everybody ought to know that Gov. Geo. Wolf is entitled to that honor.

THE FAT MEN FOR SEYMOUR.—The fat men's pic-nic occurred on Wednesday week at Utica. From the following, taken from the Utica *Observer*, it will be inferred that the avoirdupois of the country is Democratic:

"A vote was taken at French's Grove, which resulted: Seymour, 128; Grant, 7. The heaviest man present was from West Troy. His weight is expressed in the figures 375. A gentleman from Beaufort, N. C., weighed 354 pounds, and two brothers (twins) from Rochester weighed 278 and 254 pounds. The fourteen heaviest men weighed respectively as follows: 393, 299, 310, 218, 257, 249, 251, 278, 270, 278, 399, 351, 375. The fat boys had a jolly time."

IN Richardson's book, "Beyond the Mississippi," there is a notice of Gen. Grant when he was stationed in Oregon, which, after giving the general characteristics of a stupid fellow, winds up thus: "He was habitually given to conviviality." Which is a soft name for *drunkenness.*

IF greenbacks are good enough for the soldier, the laborer, the farmer, the miller, the butcher and the shopkeeper, are they not good enough for the bond-holder?

THE Springfield, Mass., *Republican* is fearful that the Democratic party may be "galvanised into ramping life." The thing does look a good deal that way.

ADDRESS OF THE DEMOCRATIC STATE COMMITTEE.

DEMOCRATIC STATE COM. ROOMS,
901 Arch street,
PHILADELPHIA, Aug. 24, 1868.

TO THE PEOPLE OF PENNSYLVANIA:

The Rads already produce the stale slanders of the past, and try to ignore the grave questions of the present.

They prate of their loyalty and make it the excuse for their corruption, their extravagance and their misrule.

They imagine that you have slept during three years of their iniquitous mis-government, and that you will forget that taxation oppresses you, that your commerce languishes, and that your business is broken up.

They have proven themselves powerful to destroy and powerless to restore.

Their only policy is hate, and upon this they ask a new lease of power, forgetful that a thinking and a practical people require them to answer:

Why is the national debt greater now than when Lee surrendered, and why does it still increase?

What has become of the fifteen hundred millions of dollars they have wrung from the comforts and necessities of the people since June, 1865?

Why are more than one hundred millions of dollars annually wasted on the unreconstructed South, and why is it not made to yield us as much, to relieve us from taxation, and aid in paying our debt?

Why is the white man made the inferior of the negro in every Southern State?

Why is one class of men totally exempt from taxation whilst all others groan beneath the load they should aid in bearing?

Why shall the 5 20 bonds be paid in gold when by the express terms of the contract they were made payable in legal-tender notes?

Why is the Constitution violated and the Union not restored, and why are our resources wasted, the people oppressed, the cost of living trebled and our trade destroyed?

DEMOCRATS OF PENNSYLVANIA:

AROUSE THE PEOPLE.

Organize a speaking canvass in every locality. Go into the strongholds of Radicalism, and

TEACH THE PEOPLE.

Direct your arguments to reason and not to the passions. Confine them to the living issues of the present and of the immediate future.

PURSUE THE ENEMY.

Our grand old State moves steadily but surely into her true place in the Democratic line.

From every section comes the glad news of a defiant and united Democracy, and of a torpid and dispirited foe.

Organization, energy and united effort will bring you a glorious victory.

AROUSE THE PEOPLE.

PURSUE THE ENEMY.

By order of the Democratic State Committee.

POLITICAL BREVITIES.

—The Democratic papers are filled with accounts of immense mass meetings.

—Gen. Butler has lost all spirit. He is getting tame as a Grant reception.

—A negro plot to burn Nashville, Murfreesboro and Pulaski has been discovered. "Let us have peace."

—Charles Francis Adams, Mr. Lincoln's minister to the Court of St. James, has declined to address a Grant meeting in Boston.

—The Quincy (Illinois) *Herald* says that in that city there have been not less than fifty changes of German Radicals from Grant to Seymour, in the course of the past month, and in Adams county not less than two hundred.

—Col. W. B. Thomas, of Philadelphia collector of the port under President Lincoln, has renounced Radicalism and supports Seymour and Blair.

—Butler's partiality for spoons is at length explained. It is said of him in Scripture, "And Benjamin's mess was five times greater than his brethren." He stood in need of them.

—Couldn't some of our troops South be as well employed defending white women and children from Indian outrages as in protecting a rascally lot of negroes from dangers that do not exist?

—The New York *Herald* says that the Radical "peace" means a peace with the nigger in the best place.

—John Morrissey denies that he is betting against Seymour and Blair. He says he cordially supports their election.

—"The McClellan Legion" of New York is now working for Seymour and Blair. The members propose to give Gen. McClellan a dinner on his arrival in New York.

—The New York *Sun* (Radical) states that a month ago betting on the Presidential election was two to one in favor of Grant. Since then Seymour stock has advanced to par, and within the past week it is at a large premium.

—It is said that twenty-five preachers were present at a recent Grant meeting in Ohio. Preachers are present at executions, but that does not save the criminal.

—We have now nearly sixty thousand men under arms in a time of peace, and the expenses of each regiment, according to the past record of the War Department, will reach two millions of dollars. The tax-payers may well exclaim, "Let us have peace."

—Senator Richardson, of Illinois, is stumping Wisconsin for Seymour.

—In consequence of an intimation from ex-Governor Curtin, that the Philadelphia *Press* "had better shut up about Seymour having been disloyal, for it made him (Curtin) out a fool and a liar," that paper has closed up that vial of dirty water.

—The Postmasters kick at the assessments of the Republican Committees. None need pay who prefer not, and nearly all prefer not.

—Edwin M. Stanton was announced to take the stump in Illinois. The Radical committee squelched him, by frankly declaring that his appearance in the State would be dangerous to the party, and might be dangerous to himself.

—The New York *Times* "sees nothing but harm" in a September session of Congress. That is all the country has seen in its sessions for several years.

—Will not Mr. Grow ask General Hartranft something about the $700 paid to Mr. Hyde?

—The Radical leaders are doing a great deal of low lying; about these days, but they will have to "lie lower" after the election.

—The *Press* says, "to be a Union man down South means something." Yes—plunder.

—The *Tribune* two weeks ago said General Hindman hopped over to Grant. Four days ago it published that General Steadman had spoken in New Orleans for Seymour. Where is the "branded liar and villain?"

—The *Round Table* says: 1. That Ohio, New York and Pennsylvania will go Democratic. 2. That as these States go will the election be decided. Nuf sed.

—Grow accuses the Democrats with having "involved the country in civil war." The Radicals have all the time charged the Democracy with being a "peace party."

—The Democrats seek to gain power in the government by the ballot, in order to preserve the liberties of the people; the Radicals seek to maintain themselves in power by the bayonet, to destroy the public liberties.

A RADICAL REBELLION.

The Radicals Exciting a War of Races in Order to Prevent an Election.

Overwhelming Evidence of the Existence of a Great Radical Plot.

Testimony from Several States.

NORTH CAROLINA.

Negroes Obey Instructions to Burn a White Man's House—An Incendiary Speech Delivered to Negroes on the Court-House Steps in Wilson County.

WILMINGTON, N. C., August 31.—A difficulty occurred in Wilson County on Saturday between Zeno H. Green, a white man, and David Ruffin, a colored man, in which the latter was shot and slightly wounded in the leg. Green was arrested and bound over to appear before the Supreme Court. Afterward Bill Grimes, a negro, *made a long speech from the Court-house, in which he urged the burning of Green's house. About* 11 *o'clock Green's barn was discovered to be on fire*, but he and his family were afraid to venture out of the house. *Grimes was seen near the barn just before the fire.* He was arrested and brought before the magistrate, and in default of $300 security was sent to jail. The community is greatly excited, but no further disturbance is apprehended.

GEORGIA.

The Governor Authorized to Disband Armed Bodies of Negroes—The Negroes Resist a Sheriff.

ATLANTA, Ga., August 31.—The Senate has unanimously passed a resolution authorizing the Governor to issue a proclamation disbanding armed associations throughout the State. Armed negro bands exist throughout the State, and in one county have resisted the Sheriff.

SOUTH CAROLINA.

Important Proclamation by the Governor of South Carolina.

COLUMBIA, S. C., August 31.—The Governor to-day issued a circular relative to armed organizations, and the introduction of arms into the State. He disapproves of both, and calls on all persons to keep the peace. He says he will exercise all his authority for that purpose.

A War of Races Imminent—The Result of Radical Teachings.

[From the Charleston Mercury, August 21.]

In another column will be found the beginning of the results of Radical teaching and instructions in this State. Not only are the negroes in every locality in the country organized into military companies, officered, equipped, and regularly drilled, but they have at last begun to put into operation the rule of violence. Organized and receiving secret orders, they have on the Combahee River, surrounded the plantations of gentlemen, and prohibited by force of arms all laborers from engaging in labor on these plantations. Thus at the very time when labor is promptly needed, in order to secure the results of the year's work and expenditure, these lawless semi-savages by violence and threats towards each other, are attempting to bring to ruin the only means existing for their own support in the present or future. Not satisfied with this, they have just seized one of their own color, for the purpose of executing him by hanging, for disobedience of some secret orders. The man being released from their hands through the courage and resolution of Mr. Cambell, the agent of Mr. Bowden, and the matter having been immediately placed before the United States authorities at Walterborough, upon the attempt being made by Colonel ——, commanding the post, to arrest these expounders of Lynch Law and public violence, the Colonel and his posse of United States colored troops, in full uniform of the United States, are unhesitatingly fired into by these Radical-instructed negroes. One of these negro incendiaries and rioters was wounded instinctly to say, "now the war has begun, and we will spare not one of them, from a sucking child to the oldest man." To what pass have we come—to what pass has the United States Government come, when these things are perpetrated in open day, and far worse are threatened, and are imminent! We have also just been informed, by a gentleman entirely trustworthy, of a speech lately delivered to the negroes on John's Island, by another negro, one Johnson, Senator, so-called, from this district. It was openly urged by the incendiary that the negroes there should be organized into seven companies, of 100 men each, and that one company should be on duty night and day for thirty days, when they should be relieved by another company doing duty for the same length of time. He told these people further that their duty was to keep down the white people, and that it must be done. To this pass has the so-called "Reconstruction" madness brought the land. And the end is not yet. Throughout the State the armed negro organization is complete, and day by day their outrages more unendurable, until at last they have fired upon the United States uniform. In Georgia and North Carolina, and we presume throughout all of the Southern States, the same organizations exist. They claim to receive their orders from some secret higher source, and that these orders must be fulfilled.—Here is civilization, here is progress, here is "peace."

THE BRAG GAME.—The *Valley Spirit* says: A highly respectable citizen of Chambersburg was at Bedford, a few days ago, and heard John Cessna declare publicly, in his steam whistle voice, that eleven Democrats of Greencastle, men of influence, were going to vote for Grant. Now we say that ten-elevenths of this story is wholly false and untrue, and we dare little John to name the men. He can't do it. We publish this statement to put the public on notice of the manner in which our old Democratic friend is going to conduct the campaign. It is to brag. One thing we can assure him of as well as the public, that for every Democratic change, we will show ten Republican changes.

C. M. DUNCAN, ESQ., has been nominated for Senator in the Adams and Franklin District. Mr. Duncan was fairly elected three years ago, but was turned out of his seat by the Radical majority. How this was done may be judged, when it is known that a prominent Radical Senator afterwards said, in a fit of passion, speaking of McConaughy, to whom Mr. Duncan's seat had been awarded, "*I perjured myself to give that d—— —— a scoundrel his seat.*" Mr. Duncan is a gentleman of fine abilities, a good speaker and an excellent business man. He will be elected by such a majority that the Radicals will not dare to unseat him.—*Lancaster Intelligencer.*

Local Department.

TOWN, COUNTY AND SURROUNDING COUNTIES.

Select School.—Miss McClellan will resume the duties of her Select School on the 28th of September.

Call Accepted.—Rev. J. A. Hoffheins, has resigned the pastorship of the Reformed Church at Carlisle, and accepted a call to a church of the same denomination at Pottsville.

Called.—The Presbyterian Church in this place has extended a call to the Rev. George N. Johnson, of Knoxville, Ills., paying $1000 and parsonage. Mr. Johnson is a nephew of the late Robert Johnson, formerly pastor of the church. It is thought he will accept.

Committee Meeting.—The Democratic County Committee will meet to-morrow week. In times like these not a solitary member should fail to attend.

Club Meeting.—The Seymour and Blair Club of Gettysburg will meet in the Arbitration Room on Monday evening next. Speaking may be expected. A full turn out is urged.

Marsh Creek Club.—We are requested to state that the friends of Seymour and Blair in Cumberland and Highland townships will meet at Francis Bream's, on Marsh creek, on Monday evening next, to organize a Club for the Campaign. Rally, white men, rally!

Butler Township Seymour and Blair Club.—The Democrats of Butler township recently organized a Seymour and Blair Club, electing as officers the following gentlemen:

President, Richard Fitzgerald.
Vice President, Jacob Peters.
Secretary, Capt. S. H. Eicholtz.
Treasurer, M. L. Hoffman.

We commend this example of our Butler Democratic friends to all the districts. Organize Clubs! Do it without delay! In no other way can you better assist in defeating corrupt and thieving Radicalism.

Premiums.—See Premium List for next Agricultural Fair; on our fourth page. The premiums have been largely increased over last year. Let this be a GREAT FAIR, creditable alike to the enterprise and resources of Adams county. We have good land, good *products, good stock; a thrifty* and intelligent people. Let the Fair prove the assertion in every particular. All can help. No one should hold back.

Attempt to Steal.—An attempt to steal a horse from Wm. Patterson, in Cumberland township, was made on Saturday night, about 12 o'clock.—Hearing some commotion among his horses, in a field close by the house, Mr. Patterson arose from his bed and went out, when the would-be thief took to his heels. Though pursued, he was soon lost in the darkness.

In Jail.—A man calling himself Charles Messersmith, charged with being concerned in the stealing of Col. Waugh's horses, is now in the county jail. He was arrested in Baltimore and brought here by officer Rouzer. His accomplice, named Hagerty, is in jail in York, being charged with horse-stealing in that county also.

Camp Meeting.—The colored Camp Meeting broke up on Wednesday, having continued a week. The number of persons in attendance on Sunday was estimated at from three to four thousand. Good order prevailed throughout.

A white man named Howard—brother to Gen. Howard, we believe—held forth on Sunday, "at the earnest request of Hon. Edward McPherson," he said. It was a political-religious harangue on negro schools in Maryland, but its real purpose seemed to be to reconcile popular sentiment to a continuance of the Freedmen's Bureau.

Howard has a "fat thing" in the Bureau, which accounts for the "milk in the cocoanut." He had better kept himself and his fancy moustache at Washington.

Railroad Meeting.—Another Railroad meeting was held in Petersburg, (Y. S.,) on Saturday last. The Committee appointed to collect funds for a survey of the proposed road, reported that over $1,400 had been subscribed. Gen. W. W. Wright, was authorized to organize a company to make a survey of the route from Petersburg or York Springs, by way of Dillsburg, to New Cumberland, on the Northern Central Railroad. We understand that Gen. Wright expects to commence the survey about the 10th or 15th of September.—*Star.*

The Sickness at York.—The York *Gazette* of Tuesday says:—A fever of typhoid tendency has been prevailing in our town for some weeks past. At one time as many as several hundred cases were reported, (though erroneously, we believe,) but our latest information was to the effect that it was on the decrease, and that considerably less than one hundred cases were under treatment. We are pleased to be able to make this statement, for, notwithstanding the fact that the disease is not of a malignant or dangerous type, it, nevertheless, is of a contagious or infectious nature, several members of the same family generally being prostrated by it. No deaths of those afflicted with it, that we know of, have yet occurred except where the disease was complicated with other complaints.

As might be expected, the most exaggerated reports in relation to this matter have reached other places. To note and contradict them all would occupy more space than we think it worth while to spare. The above statement gives the true state of the case as far as could be ascertained before going to press, and is a sufficient contradiction to all groundless and panic-bearing rumors. Speculations as to the cause of the disease have been as numerous as the rumors of its effects, but, as yet, no definite cause has been ascertained. We hope soon to be able to chronicle the entire disappearance of this remarkable, though now comparatively harmless, malady from our midst, for fear that later in the season it may assume a more malignant and fatal character.

Strange to say, that while this sickness is prevailing the mortality in our borough is remarkably small, the list for the month of August, just closed, showing fewer deaths than have occurred in a number of years during the same month.

New Quarters.—Sheriff Haun, last week, took Abraham Trostle to the Insane Asylum at Harrisburg, Geo. W. Slonaker to the House of Refuge at Philadelphia, and Wm. R. Anders to the Eastern Penitentiary.

Militia Appeal.—Affidavits and oaths are exempt from stamp duty.

The Fair Grounds.—Whitewashing of stalls and fences, smoothing of the track, and brushing up in general, have been commenced on the Fair Grounds. Refreshment stands are also being looked to—so that there may be no want of accommodations for the thousands expected to be in attendance every day.

The Exhibition promises well in every department, but we cannot let the occasion pass without reminding our county readers of the importance of making it as creditable as possible. The surrounding counties are earnestly at work for their respective Fairs, and there is no reason why Adams should not be up with the best of them.

Farmers, mechanics, all having anything in the stock, implement, machinery or produce line, that might interest anybody else, should become exhibitors. Room will be provided for everything. The ladies are also appealed to for a helping hand. The departments made up by their handiwork are always attractive, and it is hoped that on this occasion they will even excel the display of last year.

The Fair will be held on Tuesday, Wednesday and Thursday, the 22d, 23d and 24th of September instant. Monday will be devoted entirely to the reception of stock and articles for exhibition. This should be done without fail, that time may be afforded the managers for the proper disposition of everything.

Agricultural Fairs.—The season of the year is approaching when the happy Fair days will come. We are not certain that some poetic feeling does not overcome us when contemplating these happy gatherings. Here are the mellow days of autumn tinged with their Indian summer haziness. These are happy times for lovers, for it is such a sweet occasion for them to ride together to the fairs, and then walk around arm in arm, and view the various objects of interest. It is a happy time for married people, too, for the whole family must go to the fair; and husband and wife, and the dearly loved children, are up betimes and pack themselves snugly away and ride to the fair. Old and young, little and big, male and female, all attend, and are happy. Fair days are holidays—rural holidays—and delightful ones, too.—*Exchange.*

Cure for Burns.—The best remedy for burns, in any stage, is a strong solution of Epsom salts in water. The application at once relieves the pain, and healing takes places with wonderful rapidity. Our personal experience furnishes several instances of remarkable cures from the application of this remedy.—*Exchange.*

Adams and Franklin.—The Senatorial conferees of Franklin and Adams have nominated C. M. Duncan for re-election. It will be remembered Mr. Duncan was unjustly deprived of the seat to which he was fairly elected three years ago, and the Democracy of his district have renominated him and intend to elect him as a special rebuke to the partisan committee of the Senate, which ejected him in defiance of every sense of right and justice.—*Harrisburg Patriot.*

Bedford, Franklin, Fulton and Somerset.—Wm. J. Baer, Esq., of Somerset, is the Democratic candidate for additional law Judge in the Sixteenth district, composed of the counties above named. Mr. Baer is a gentleman admirably fitted for the Bench, and no better selection could have been made.

Large Canteloup.—We saw a canteloup yesterday that weighed 12½ pounds. It was sent from St. Joseph's, Emmittsburg, to McClellan's hotel, in this place.

THE ARTFUL DODGER.

John Cessna, who is to be the Radical candidate for Congress in this district, was chosen by the Pennsylvania State Temperance Convention that met in Harrisburg a year ago, to draft a Prohibitory Liquor Law to be presented to the Legislature for adoption. He did not draft it. Why? Was it because he made up his mind, after receiving that appointment, to be a candidate for Congress, and because he was afraid he could not be elected on the prohibitory platform? But although he *evaded* the performance of the duty assigned to and accepted by him, and failed to make his appearance at the Temperance Convention held in his own town of Bedford early this summer, where he was expected to explain his omission to draft the law, he did not abandon the Prohibitionists. He attended the National Temperance Convention at Cleveland a few weeks ago and was honored with its temporary chairmanship. At home he stands aloof from the prohibitory movement, but goes abroad to push it on. He wants the votes of Republican distillers, hotel keepers, liquor dealers, and others opposed to a Prohibitory Law; and to these he will say, "I did not present a Prohibitory Law to the Legislature, nor did I attend the Temperance Convention held in my own town." He also wants the votes of the Temperance men, and to these he will say, "I was Temporary Chairman of the National Temperance Convention at Cleveland." John is a smart fellow, but can he serve two masters? Which of them does he intend to cheat?—Which of them will be so foolish as to be cheated by him?—*Valley Spirit.*

REMEMBER.

It should be remembered by those who have been deprived of their suffrages by the infamous Deserter Law, that that odious enactment has been wiped out of the statute-book by the decision of the Supreme Court. Let all such persons be assessed and prepare to vote.

IT is quite unfortunate for the Radical party that the freedmen cannot read the cart loads of copies of the *Press* and *Tribune* sent down South every week. The Northern Radicals have grown tired of them, and they are compelled to seek a new market.

THE Lancaster *Intelligencer* offers to pay $500 to any person who will prove that there was a negro delegate in the Democratic Convention in New York. Who speaks? Come, Rads—you started the story, now prove the truth of it, if you can.

GALUSHA A. GROW, Chairman of the Radical State Committee, has published an address in which he says that if Seymour and Blair should be elected, there will be "war!" Who will make the war, Galusha? Certainly not the Democrats, for they will be too well pleased to want to fight. Try again, Galusha!

THE Editor of the Elmira (N. Y.) *Gazette* says the fellows who published in their papers the story that his paper had changed its support from Seymour and Blair to Grant and Colfax are "deluded liars and villains."

Selling Off.—It will be seen by their advertisement in another column, that Dupborn & Hoffman, corner of Carlisle street and the Diamond, are selling off their large stock at cost, with a view to changing their business. They offer astonishing bargains—such as cannot be had anywhere else in the county. To prove the assertion, give them a call, and be convinced. They mean what they say and will do what they say. Remember the place, Northwest corner of the Diamond, Gettysburg. 6t

Housekeepers and others wanting good Cooking Stoves, the best in the market, warranted to bake and give satisfaction, or any thing in the line of Tin Ware, Japan Ware, Hollow Ware, Chamber Sets, Bread and Spice Boxes, Ice Cream Freezers, Water Coolers, Coffee Mills, Bird Cages, Fruit Jars and Cans, Waiters, &c., &c., &c., will find just what they want at the Ware-room of Col. C. H. Buehler, corner of Railroad and Carlisle street, opposite the Passenger Depot, and at prices which defy competition. tf

The Attention of our readers is directed to the advertisement of COE'S DYSPEPSIA CURE, in another part of this paper. This truly valuable Medicine is recommended by all who use it. Read the certificates. eow

A Full Assortment.—The attention of Farmers, Builders, Contractors, and others is invited to the large assortment of LUMBER of all kinds suitable for building purposes, to be found at Col. C. H. BUEHLER'S Lumber Yard, at corner of Carlisle and Railroad streets, including Boards, Planks, Flooring, Siding, Laths, Pickets, Shingles, &c. Also Posts, h

SEYMOUR, BLAIR AND VICTORY!

FOR THE DEMOLITION.

The COMPILER will be issued from this time until after the Presidential election at FIFTY CENTS, or FIVE COPIES for TWO DOLLARS—in advance in all cases.

Fellow Democrats, the most effective way to help the Democratic cause is to circulate Democratic papers. The COMPILER will do its full duty for the enlightenment of the people, as heretofore. CIRCULATE! CIRCULATE!!

"WHEN we give value to our bonds by using the money drawn by taxation to the payment of our debt, and not to the military and negro scheme, we shall relieve the tax-payer, the bill-holder, and give strength and virtue to the Status of the public creditor."—HORATIO SEY-MOUR.

BEAUTIES OF RECONSTRUCTION.

A telegram from Columbia, South Carolina, states that an attempt will be made by the Legislature to turn all the schools of the State over to the negro School Commissioners. In Louisiana, the Board of State School Commissioners is to be presided over by the negro Lieutenant-Governor. Here we have one of the beauties of Radical Reconstruction; white and black children are compelled to attend the same school, sit on the same bench, and recite in the same class, while the schools are to be controlled and managed by negroes. How long will the white freemen of this country submit to this degradation? If they do quietly submit to it, it is evidence they are fit for negro domination and ought to wear the yoke. The election of Grant will fix this condition of things on the country permanently.

HON. CHARLES R. BOYLE, the Democratic candidate for Auditor General, when a member of the Legislature in 1867, obtained the passage of a section in the appropriation bill to protect the State Treasury against the incessant assaults made by the thieves, by means of special committees. Auditor General Hartranft deliberately violated the law, and let the plunderers gorge themselves on the public treasury.—Hartranft is the candidate of the ring for Auditor General; Boyle is the candidate of all who sincerely desire reform in the affairs of the State.

THE Radicals have carried Vermont by from 26,000 to 28,000. The vote is the largest polled in the State since the last Presidential election, when Lincoln had 29,068 majority. The Democrats made very little show of fight, because they considered their chances utterly hopeless. Had they exerted themselves fully, a handsome reduction in the Radical majority would have been certain.

The Radicals are jubilant over the result, finding immense comfort in the fact that they have held their own in the blackest State in the Union. Their rejoicing will be brief.

AT the Democratic Congressional convention for the Twelfth district of Ohio, held at Circleville on the 6th, after Judge Van Trump had been renominated, Col. Lyman L. Jackson, of Perry county, made a speech in the convention, renouncing Radicalism and declaring for the Democracy.

HON. WM. B. JONES, elector on the Radical ticket in Alabama, has taken the stump for Seymour and Blair, and so has the Hon. Thomas Masterson, Republican Representative from Lawrence county, in the same State.

GUANO ATTACHMENT.

A PAMPHLET AND MAP FOR 1868 has just been published by the Company, giving fuller information than is possible in an advertisement, respecting the Progress of the Work, the Resources of the Country traversed by the Road, the Means for Construction, and the Value of the Bonds, which will be sent free on application at the Company's offices or to any of the advertised agents.

JOHN J. CISCO, Treasurer, New York.

August 28, 1868. 3m

750 MILES

OF THE

Union Pacific Railroad

Are now finished and in operation. Although this road is built with great rapidity, the work is thoroughly done, and is pronounced by the United States Commissioners to be first-class in every respect, before it is accepted, and before any bonds can be issued upon it.

Rapidity and excellence of construction have been secured by a complete division of labor, and by distributing the twenty thousand men employed along the line for long distances at once.

It is now probable that the

Whole Line to the Pacific will be completed in 1869.

The Company have ample means of which the Government grants the right of way, and all necessary timber and other materials found along the line of its operation, also 12,000 acres of land to the mile, taken from alternate sections on each side of its road; also United States Thirty-year Bonds, amounting to from $16,000 to $48,000 per mile, according to the difficulties to be surmounted on the various sections to be built, for which it takes a second mortgage as security. It is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, &c.

THE EARNINGS OF THE UNION PACIFIC RAILROAD, from its Way or Local Business only, during the year ending June 30th, 1868, amounted to over

Four Million Dollars,

which, after paying all expenses, was much more than sufficient to pay the interest upon its Bonds. These earnings are no indication of the vast through traffic that must follow the opening of the line to the Pacific, but they certainly prove that

FIRST MORTGAGE BONDS

upon such a property, costing nearly three times their amount,

Are Entirely Secure.

The Union Pacific Bonds run thirty years, are for $1,000 each, and have coupons attached. They bear annual interest, payable on the first days of January and July, at the Company's office in the City of New York, at the rate of six per cents in gold. The principal is payable in gold at maturity. The price is 102, and at the present rate of gold, they pay a liberal income on their cost.

A very important consideration in determining the value of these bonds is *the length of time they have to run.*

It is well known that a long bond always commands a much higher price than a short one. It is safe to assume that during the next thirty years, the rate of interest in the United States will decline as it has done in Europe, and we have a right to expect that such six per cent. securities as these will be held at as high a premium as those of this Government, which, in 1857, were bought in at from 20 to 25 per cent. above par. The export demand alone may produce this result, and as the issue of a private corporation, they are beyond the reach of political action.

The Company believe that their Bonds, at the present rate, are the cheapest security in the market, and the right to advance the price at any time is reserved. Subscriptions will be received in Gettysburg by the FIRST NATIONAL BANK and GETTYSBURG NATIONAL BANK, and in New York at THE COMPANY'S OFFICE, NO. 20 NASSAU ST.,

AND BY

JOHN J. CISCO & SON, BANKERS, NO. 59 WALL ST.,

And by the Company's advertised agents throughout the United States.

Remittances should be made in drafts or other funds par in New York, and the Bonds will be sent free of charge by return express. Parties subscribing through local agents, will look to them for their safe delivery.

THE CATTLE DISEASE.

The disease continues to attract much attention in the Northwest.—The committee appointed by the Illinois State Agricultural Society report that the disease affects only those native cattle grazing upon territory traversed by Texas cattle, or in pastures with them. Stock dealers have held meetings throughout the State, and are resolved to resist the further importation of Texas or Cherokee cattle, by prosecuting all persons engaged in the business. At Cincinnati the consumption of beef is said to have fallen off greatly, in consequence of the panic created by the disease. A letter from New York says:

"The cattle disease is unquestionably curtailing the consumption of beef. At the Bull's Head there is a sensible diminution of the number of animals on sale, and the butchers' bills of most of the hotels exhibit a corresponding abbreviation. One house in Broadway, which usually averages $700 per week, now finds $250 sufficient; another over in Brooklyn, which usually buys $180 worth, has dwindled down to $45, and the same state of things, it is probable, exists at other places. Mutton, veal, pork and fish alone are in favor at the restaurants."

THE SHIPMENT OF DISEASED CATTLE.—Considerable alarm has been created among the farmers and cattle dealers, in this and adjoining counties, by the statements recently made that diseased cattle had been shipped east over the Pennsylvania Railroad. The following statement therefore of Mr. Edward H. Williams, General Superintendent of the Pennsylvania Railroad, which was made at a special meeting of the Mayor and City Councils of Altoona held on the 24th inst, will be read with insterest. Mr. Williams stated "that the inspection of cattle at the Pittsburgh yards was as thorough and careful as it was possible to make it, and it was not probably that any diseased cattle would be shipped east from that point on their trains; they would be stopped as soon as ascertained and be unloaded, and care taken that the infection should not spread. He also stated that the Western roads centering in Pittsburgh were taking every precaution to prevent the transportation of diseased cattle over their lines, and that they would doubtless soon succeed in getting it under control."—*Lancaster Intelligencer.*

THE RADICAL CONSPIRACY!

The Oath-bound, Secret and Revolutionary G. A. R. Exposed!

Horrible Oath of the Supreme Degree!

We give below an exposition of the character of the Radical military secret society, which has been organized for the purpose of overthrowing the liberties of the people. The attention of the Government has recently been called to the treasonable character of the organization known as the "Grand Army of the Republic," and the ritual, oaths, &c., have been discovered and are now in the possession of detectives. The oath of the Supreme Commandery, which we print below, is of a most horrid and revolting character, and should open the eyes of all men who still cling to the Constitution and a republican form of government. Concerning the character of the lower degrees, we are furnished the following:

"The 'Post' is the initiatory degree in this order, and here the rite of initiation is very simple. In order to include those who have been in the service of the United States into joining them, the statement is made that the G. A. R. is not of a political character and that its object is only to promote the interests of those who were in the army. But upon initiation the novice is obligated to vote for a soldier as against a civilian, unless otherwise instructed by the order, which means that in case a Radical civilian is a candidate for office against a Democratic soldier, the order will instruct its members to vote for the civilian. Thus the 'Post' is used as a political machine, and as it is under the control of the Supreme Commandery, this subordinate branch is subject to *military fidelity* under the orders of the Supreme Commander. This, however, is studiously concealed from the knowledge of the members of the 'Post,' and so are many other things which are decuped safe only in the breasts of the members of the higher degrees. Only those who have risen to the grade of 'Brigadier General' in the order, can take the highest degree, and only upon taking the following oath:

"I, ——— ———, in the presence of Almighty God and upon his Holy Evangely, do solemnly swear that I will bear true allegiance to the American Nation, that I will recognize all men without distinction of race or color as my political equals, and that I will oppose and stand ready, at all hazards, to assist in abrogating, or if need be in overturning, all laws, under whatever name, not in harmony with this doctrine of equality; and I futhermore swear that I will, at all times and under all circumstances, favor the concentration of power in the Federal Government and oppose the idea of reserved rights residing in the States, or in the people; and I furthermore Swear that I will resist, to the extent of my power, even if it should require the sacrifice of life itself, the continuance of the States Rights theory in the Policy of the Government of the United States; and in token of my sincerity, I hereby announce my willingness to submit to the extreme penalty, even death, which this order may choose to inflict upon me, if at any time I should be found unfaithful to this, my oath of loyalty. So help me God and keep me true."

Thus are the revolutionary and treasonable purposes of this oath-bound conspiracy unveiled. It can scarcely be possible that any soldier, who fought for the preservation of the Constitution, which this order seeks to subvert, will continue in fellowship with it, after learning its atrocious designs. We call upon all who are members of inferior degrees, those who have united themselves with the various "Posts" throughout the country, whether they are Republicans or Democrats, to at once disengage themselves from the order which they have been led. Will honest Leave this revolting and principled cabal, and disdain to be ranked with the conspirators who seek to make you their instruments in overthrowing your own, as well as the public liberty.—*Patriot.*

DURING the second session of the Fortieth Congress there were 2,780 pen-knives distributed among the members of the House, at a cost of $5,820, or more than $2 each. There were 44 members of that body, thus giving 14 knives and a fraction to each member, or about $30 for each member in pen-knives during one session of Congress.

"GOOD morning, Mr. Henpeck," said a printer in search of female comp'ositors, "have you got any daughters that would make good type-setters?" "No, but I have got a wife that would make a very fine devil."

COE'S DYSPEPSIA CURE.

This world renowned remedy for the unfailing cure of

DYSPEPSIA,

Indigestion, Sick Headache, Sourness or Acidity of the Stomach, Rising of Food, Flatulency, Lassitude, Weariness, Biliousness, Liver Complaint, finally terminating in Death,

all range upon the attention and trial of sufferers from this most horrible of all diseases. Dyspepsia shows its ravages in a thousand different forms, in fact, all disorders of the Stomach and Bowels, with all their complaints, such as Sick Headache, Heartburn, Depression, general sense of uneasiness and feeling that you are not well. Food distresses you, rises and sours on your stomach; breath is bad; skin at times flushed and hot; don't feel as if you could move or stir about, and worst of all, Indigestion or Constipation, are nothing more or less than Dyspepsia. Thousands upon thousands suffer and die this way and neither themselves or physicians know what ails them, except that they are surely dying.

Reader, we repeat it, this is all Dyspepsia. If you would have proof of our statement, if you would save yourselves and children from an early grave, if you would have health and energy and strength, again we beg you try one bottle of

COE'S DYSPEPSIA CURE.

You will see how soon it will dispel your bad feelings and gloomy forebodings. How soon it will chase away any species of Dyspepsia. How soon it will give you new life and hope, and how soon it will make a new man or woman of you. For your own sake, for the sake of everybody suffering, we beg, we entreat you to try it.

For Liver Complaint & Bilious Derangements

It is a Sovereign Remedy, while for Fever and Ague, and all those diseases which are generated in a miasmatic climate, it is a certain preventive and cure.

That its wonderful medicinal virtues may not stand alone on our statement, we append a few unsolicited testimonials from those whose position in society and reputation as citizens will place their evidence beyond all question, and carry with them strength and conviction to the most incredulous.

Mr. Lester Sexton, a wholesale merchant of 30 years, in Milwaukee, one of the most reliable and careful men in the State, says, under date

MILWAUKEE, Wis., Jan. 24, 1868.

MESSRS. C. G. CLARK & Co., New Haven, Conn.

Both myself and wife have used Coe's Dyspepsia Cure, and it has proved PERFECTLY satisfactory as a remedy. I have NO hesitation in saying that we have received GREAT BENEFIT from its use.

Very respectfully,
(Signed) LESTER SEXTON.

(From Rev. E. F. Ward, Avon, Lorain co., O.)

MESSRS. STRONG & ARMSTRONG,

Gentlemen—It gives me great pleasure to state that my wife has derived great benefit from the use of Coe's Dyspepsia Cure. She has been for a number of years greatly afflicted with Dyspepsia, accompanied with violent paroxysms of constipation which so prostrated her that on several occasions, for months, unable to do anything. She took, at your instance, Coe's Dyspepsia Cure, and has derived GREAT BENEFIT FROM IT, and is now comparatively well. She regards this medicine as a great blessing. Truly yours,

Jan. 13th, 1868. L. F. WARD.

(From Rev. Isaac Aiken, Allegheny, Pa.)

JOSEPH FLEMING, Druggist,
No. 84 Market Street, Pittsburg.

SIR:—I take great pleasure in stating that, after having suffered from dyspepsia for about seven years, at some periods much more than others, I have been entirely cured by the use of Coe's Dyspepsia Cure. My friends know I was for years my case has been a mystery to some one. I had great suffering from eating any kind of food, and on an average would vomit about one-third of my meals, in a sour indigestible mass. When the severe attacks would come, I would lose all strength and be utterly helpless, some of the attacks would be so severe that for days together I would not retain anything on my stomach, save a little dry toast and tea. For years I knew not what it was to pass five consecutive hours without intense pain. From the time I took the first dose of this medicine I ceased vomiting, gradually all soreness passed away, and flesh and strength returned, and ever since I have been able to eat any kind of food set upon the table. Six months have now passed without any symptoms of the return of the disease. My case was considered by all, even physicians, so marvelous, that for a time it was feared it might be fictitious but I am now so well convinced, that I have been not merely relieved, but permanently cured, that I can conscientiously recommend Coe's Dyspepsia Cure to all victims of dyspepsia.

ISAAC AIKEN,
Late Pastor of the Beaver St., M. E. Church, Allegheny.

CONCLUSIVE EVIDENCE.

NEW HAVEN, CT., June 2, 1867.

MESSRS. C. G. CLARK & Co.

GENTS:—Being anxious, from the great benefit derived, to assist in spreading the fame of Coe's Dyspepsia Cure, I would state my case. Something over a year ago, I had a violent attack of Diarrhea, which lasted eight weeks, during which time I employed three physicians, but without relief, until I tried Coe's Dyspepsia Cure. The first dose helped me; I took it three times a day for a week and was entirely cured; and I believe to-day that it saved my life. Being attacked in a similar way this season, I took one dose, which put me all right. I would ask the favor always to keep it on hand ready for immediate use, in case of Summer or Bowel Complaints.

C. DUNN.

The above Mr. Dunn is in our employ, and we can vouch for the above statement being true.

E. ARNOLD & CO.

Coe's Dyspepsia Cure

will also be found invaluable in all cases of Diarrhea, Dysentery, Colic, Summer Complaints, Griping and Pain in every disordered condition of the stomach.
